

# HAMPTON ROADS PLANNING DISTRICT COMMISSION

## 2035 RURAL LONG RANGE TRANSPORTATION PLAN

### Tell Us What You Think

Do you think that the draft Transportation Plan adequately identifies transportation needs and deficiencies in the region?

---

---

---

---

Do you think that the proposed recommendations address regional transportation concerns? If not, what other recommendations should be considered in the Transportation Plan?

---

---

---

---

What do you think are the region's transportation priorities? Does the draft Transportation Plan address these priorities?

---

---

---

---

Are there other issues or concerns that you have regarding regional transportation?

---

---

---

---

Was the time and place for this meeting convenient?

---

---

Were the handouts, presentation boards, and maps helpful?

---

---

Please return this form at the public meeting or mail back no later than May 20, 2011. Additional information on the Regional Long Range Plan is available by contacting Dale M. Stith at 757.420.8300 or by email at [dstith@hrpdcva.gov](mailto:dstith@hrpdcva.gov). **Thank you for your interest and participation in this planning process.**
