To: The Southampton County Board of Supervisors

The Franklin-Southampton Concert Association is requesting your support for its 2011-2012 season. Having received this support for several years, we realize how much it has helped to make us successful. This year we have more than 950 members, an increase from last year. People are amazed that such quality entertainment is offered in Southampton County, and especially through an organization without a paid administrative staff.

Our 2010-2011 series began in September with a concert by Jim Witter - The Piano Man. He and his talented band did a salute to Elton John and Billy Joel. The New Christy Minstrels from the 60's performed under their original leader. This folk group was still very strong and had 5 original members. November brought a return of the amazing Chinese Golden Dragon Acrobats. We have just been treated to a concert by The Virginia Symphony. There was a pops program featuring music from the movies. In April, we will host Buddy Jewell, a past winner of the televised music competition Nashville Star. We will end in May with The Hunt Family, dancers, singers and fiddlers.

This season we did some self-help by raising our adult ticket price by \$10.00, leaving student ticket price unchanged. This helped off-set some loss of grant money. We hope we don't have to cut back on the number of concerts or the quality of the shows.

Respecting your directive to cut back on our request, we are reluctantly asking for reduced appropriation of \$5,400.00 for the coming fiscal year. The quality of our offering is only limited by the financial support we receive. We assure you that we will be most grateful for whatever sum you appropriate and will use it frugally to produce the best possible series.

I am enclosing copies of our 2009-2010 program books. Please call me if you have any questions or wish additional information. Thank you for considering our request.

Sincerely yours,

Nancy T. Rowe
