Mr. Michael Johnson
County Administrator
Southampton County Administrative Offices
Courtland, Virginia 23837

Dear Mr. Johnson:

I am requesting that the Rawls Museum be included in the budget for 2011-2012 for Southampton County. In March I will bring before you the **Virginia Commission for the Arts** 2011-2012 Local Government Challenge Grant request.

Rawls Museum Arts is requesting from Southampton County a grant of \$10,000 towards the operation of our facility and programs.

The **Commission** will match dollar-for-dollar (up to a maximum of \$5,000) any funds allocated to RMA. This is an excellent opportunity to increase, indeed **double**, the impact of your spending.

Thank you for your consideration and for your continued support. We will continue to bring culture and arts education into the lives of many with your help.

Sincerely,

Leigh Anne Chambers
Executive Director

The process for awarding the above grant is: Rawls Museum Arts, Inc. applies to the county governing body for the grants. Grants are awarded based upon type of request, public need and availability of funds. RMA (the only arts facility in the area) is applying for the above funding. The Southampton County Board of Supervisors will determine the 2009-2010 appropriation with these criteria: RMA longevity, continued fiscal responsibility, number of participants, economic impact on area, consistent service to the area and RMA increased need for additional exhibitions and programs.
