Dear Mike:

First, on behalf of the Southampton County Historical Society I'd like to thank you and Southampton County for our current grants. We are meeting Monday night and intend to get going on the Rebecca Vaughan House immediately afterward. It's nice to have money in our account with which to work. Sen. Quayle successfully got our budget amendment for the RVH through the Senate and Del. Barlow is working to get it through the joint committee but we're not holding our breath. John Quarstein is working with Melanie Beale at Dominion to re-submit that grant for \$120,000, to cover our T-21 grant local match. They both are very optimistic about our receiving it.

We'd like to again request the \$4,750 for the Southampton County Historical Society to help offset the yard and gardens maintenance at the Rochelle-Prince House and grass cutting at the Southampton Heritage Village / Ag & Forestry Museum and the Museum of Southampton History. We'd also be grateful for the \$20,000 for the Rebecca Vaughan House.

If I can answer any questions, please don't hesitate to call or email me. Thank you very much for your consideration.

Sincerely,

Mrs. Lynda T. Updike
